Auditor of State Rob Sand today released an agreed-upon procedures report on the City of Garwin, Iowa for the period July 1, 2018 through June 30, 2019. The agreed-upon procedures engagement was performed pursuant to Chapter 11.6 of the Code of Iowa.

Sand reported eight findings related to the receipt and disbursement of taxpayer funds. They are found on pages 7 and 8 of this report. The findings address issues such as a lack of segregation of duties, the lack of evidence of independent review of bank reconciliations, the lack of utility reconciliations, disbursements exceeding budgeted amounts and images of backs of checks not being obtained as required. Sand provided the City with recommendation to address each of the findings.

The City Council has a fiduciary responsibility to provide oversight of the City's operations and financial transactions. Oversight is typically defined as the "watchful and responsible care" a governing body exercises in its fiduciary capacity.

A copy of the agreed-upon procedures report is available for review on the Auditor of State's web site at <https://auditor.iowa.gov/audit-reports/>.

Auditor of State's Independent Report on Applying Agreed-Upon Procedures

To the Honorable Mayor and Members of the City Council:

We performed the procedures below, which were established at Iowa Code Chapter 11.6, to provide oversight of Iowa cities. Accordingly, we have applied certain procedures to selected accounting records and related information of the City of Garwin for the period July 1, 2018 through June 30, 2019, including procedures related to the City's compliance with certain Code of Iowa requirements identified below. The City of Garwin's management, which agreed to the performance of the procedures performed, is responsible for compliance with these requirements and for the City's records.

This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and the standards for attestation engagements contained in Government Auditing Standards, issued by the Comptroller General of the United States. The sufficiency of these procedures is solely the responsibility of those parties specified in the report. Consequently, we make no representation regarding the sufficiency of the procedures described below, either for the purpose for which this report has been requested or for any other purpose.

The procedures we performed are summarized as follows:

1. We observed selected City Council meeting minutes for compliance with Chapters 21, 372.13(6) and 380 of the Code of Iowa.
2. We obtained an understanding of the City's internal controls to determine if proper control procedures are in place and incompatible duties, from a control standpoint, are not performed by the same employee.
3. We observed surety bond coverage for compliance with Chapter 64 of the Code of Iowa.
4. We obtained and observed the City Clerk's financial reports and selected bank reconciliations to determine whether the bank balances properly reconciled to the general ledger account balances and monthly financial reports provided to the City Council.
5. We scanned City funds for consistency with the City Finance Committee's recommended Uniform Chart of Accounts (COA) and to determine required funds and fund balances are properly maintained and accurately accounted for.
6. We observed the City's fiscal year 2018 Annual Financial Report to determine whether it was completed and accurately reflects the City's financial information.
7. The City had no investments.
8. We scanned depository resolutions, the City's investment policy and reporting of unclaimed property to the State of Iowa to determine compliance with Chapters 12C.2, 12B.10B and 556.1(12) of the Code of Iowa.
9. The City had no debt.
10. The City had no TIF.

11. We traced selected receipts to accurate accounting and consistency with the recommended COA.
12. The City had no voter approved levies.
13. We traced selected disbursements to proper approval, adequate supporting documentation, accurate accounting and consistency with the recommended COA and compliance with the public purpose criteria established by Article III, Section 31 of the Constitution of the State of Iowa.
14. The City had no transfers.
15. We traced selected payroll and related transactions to proper authorization and accurate accounting and determined whether payroll was proper.
16. We observed the annual certified budget for proper authorization, certification and timely amendment.

Based on the performance of the procedures described above, we identified various findings and recommendations for the City. Our findings and recommendations are described in the Detailed Findings and Recommendations section of this report. Unless reported in the Detailed Findings and Recommendations, items of non-compliance were not noted during the performance of the specific procedures listed above.

We were not engaged to and did not conduct an examination or review, the objective of which would be the expression of an opinion or conclusion, respectively, on specific accounting records and related information of the City, including compliance with specific Code of Iowa requirements. Accordingly, we do not express such an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

The purpose of this report is to report, in accordance with Chapter 11.6 of the Code of Iowa, certain agreed-upon procedures and the resulting findings and recommendations pertaining to selected accounting records and related information of the City, including the City's compliance with certain Code of Iowa requirements. This report is not suitable for any other purpose.

We would like to acknowledge the many courtesies and assistance extended to us by personnel of the City of Garwin during the course of our agreed-upon procedures engagement. Should you have any questions concerning any of the above matters, we shall be pleased to discuss them with you at your convenience.

Detailed Findings and Recommendations

City of Garwin

Detailed Findings and Recommendations

For the period July 1, 2018 through June 30, 2019

- (A) Segregation of Duties – Management is responsible for establishing and maintaining internal control. A good system of internal control provides for adequate segregation of duties so no one individual handles a transaction from its inception to completion. In order to maintain proper internal control, duties should be segregated so the authorization, custody and recording of transactions are not under the control of the same employee. This segregation of duties helps prevent losses from employee error or dishonesty and maximizes the accuracy of the City's financial statements. Generally, one individual has control over each of the following areas for the City:

- (1) Cash – handling, reconciling and recording.
- (2) Receipts – opening mail, collecting, depositing, recording, reconciling and posting.
- (3) Disbursements – purchasing, invoice processing, check writing, mailing, reconciling and recording.
- (4) Payroll – entering rates into the system, recordkeeping, preparing and distributing.
- (5) Utilities – billing, collecting, depositing, posting, entering rates into the system and maintaining detailed accounts receivable and write-off records.

Recommendation – We realize segregation of duties is difficult with a limited number of employees. However, the City should review its control procedures to obtain the maximum internal control possible under the circumstances utilizing currently available staff, including elected officials. Independent reviews of reconciliations should be documented by the signature or initials of the reviewer and the date of the review.

- (B) Bank Reconciliations – The cash balances in the City's general ledger were reconciled to bank account balances throughout the year. However, there was no evidence of an independent review.

Recommendation – The City should establish procedures to ensure an independent person reviews the bank reconciliation monthly and documents the review by signing or initialing and dating the reconciliation.

- (C) Reconciliation of Utility Billings, Collections and Delinquent Accounts – Utility billings, collections and delinquent accounts were not reconciled throughout the year. While a delinquent account listing was prepared monthly there was no evidence of an independent review.

Recommendation – Procedures should be established to reconcile utility billings, collections and delinquent accounts for each billing period. The City Council or other independent person designated by the City Council should review the reconciliations and monitor delinquent accounts. The review should be documented by the signature or initials of the reviewer and the date of the review.

Detailed Findings and Recommendations

For the period July 1, 2018 through June 30, 2019

- (D) City Council Meeting Minutes – Chapter 372.13(6) of the Code of Iowa requires minutes of all City Council proceedings be published within fifteen days of the meeting. For one of four meeting minutes observed, the minutes were not published within fifteen days.

Recommendation – The City should comply with the Code of Iowa and publish City Council minutes within fifteen days of the meeting, as required.

- (E) Certified Budget – Disbursements during the year ended June 30, 2019 exceeded the amounts budgeted in the public works and general government functions prior to a budget amendment. Disbursements at year end exceeded the amounts budgeted in the culture and recreation and general government functions. Chapter 384.20 of the Code of Iowa states, in part, “Public monies may not be expended or encumbered except under an annual or continuing appropriation.”

Recommendation – The budget should have been amended in accordance with Chapter 384.18 of the Code of Iowa before disbursements were allowed to exceed the budget.

- (F) Restrictive Endorsement – Checks are not restrictively endorsed immediately upon receipt.

Recommendation – To safeguard collections, checks should be restrictively endorsed immediately upon receipt.

- (G) Electronic Check Retention – Chapter 554D.114 of the Code of Iowa allows the City to retain cancelled checks in an electronic format and requires retention in this manner to include an image of both the front and back of each cancelled check. The City does not receive an image of the back of each cancelled check for several bank accounts.

Recommendation – The City should obtain and retain images of both the front and back of cancelled checks, as required.

- (H) Payroll – The Mayor was paid \$50 in excess of the authorized compensation due to a miscalculation of pay during the period of January 1, 2019 through March 31, 2019.

Recommendation – The City should correct the overpayment and review prior payments and make corrections, if necessary. The City should establish procedures to ensure compensation is properly calculated.
